Not Your #LoveStory

By Sonia Hartl

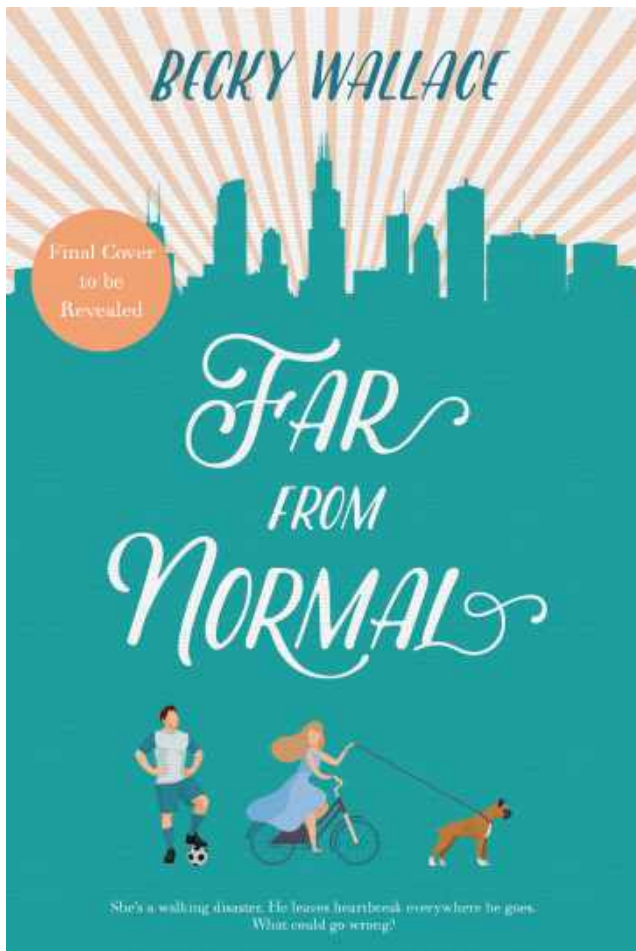

"A touching and very human perspective on internet infamy: Click on this one."

—*Kirkus Reviews*

"The sweet, sex-positive romance and the way people in this town take care of one another, across generations, make this a winner." —*Booklist*

Blazewrath Games

By Amparo Ortiz

★ "Mixes Hogwarts with urban fantasy in a fascinatingly detailed new way. It's an intriguing take on identity that will speak perfectly to both fantasy fans and realistic readers."

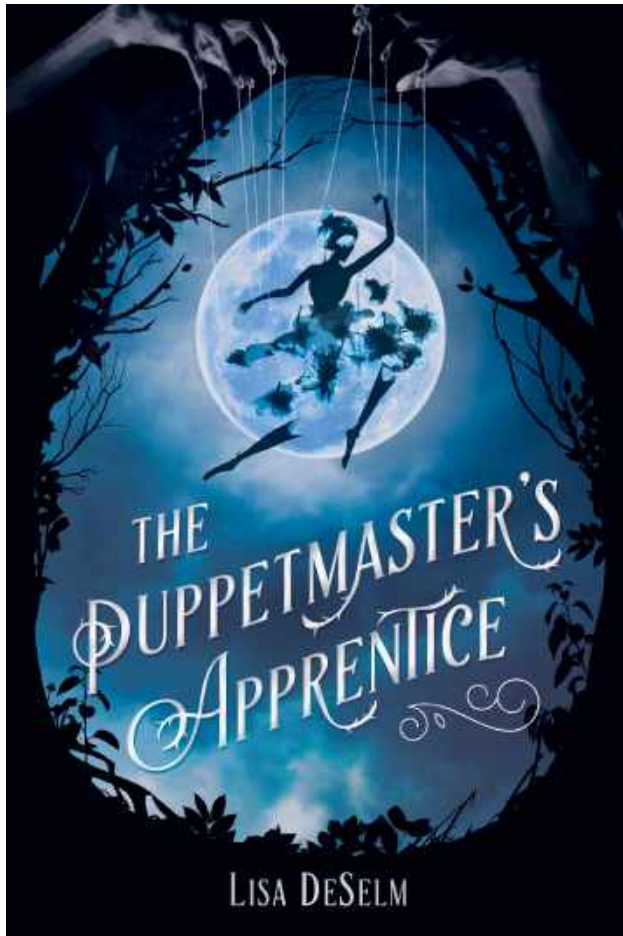

—*Booklist*, starred review

"In a nonstop, dragon-roaring adventure, this mash-up of magical realism and coming-of-age story will keep readers enthralled until the last page."

—*School Library Journal*

The Puppetmaster's Apprentice

By Lisa DeSelm

- ★ “DeSelm’s fantastical debut, an elegantly styled, gender-swapped retelling of ‘Pinocchio,’ transports readers into a wood in which magic’s price must always be paid.” —*Publishers Weekly*, starred review
- ★ “Laden with atmosphere and written in gorgeous prose, this stunning debut novel is a dark fairy tale about creating life, becoming human, and longing for connection, reminiscent of Pinocchio and Frankenstein. This author is one to watch.” —*Booklist*, starred review

Written in Starlight

By Isabel Ibañez

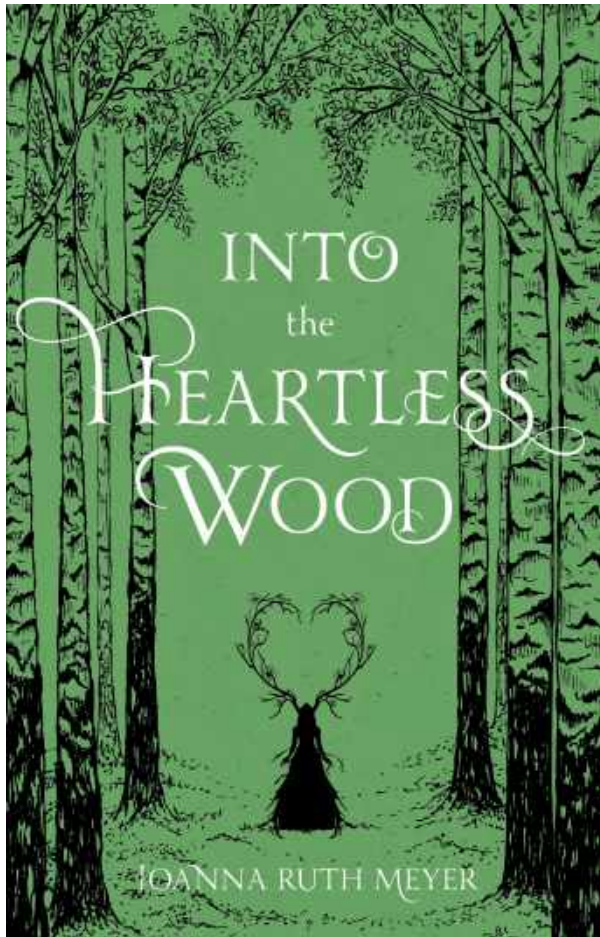

Praise for *Woven in Moonlight*:

“*Woven in Moonlight*—appropriately—weaves a beautiful spell that takes culturally specific details and spins them into an engaging fantasy world.” – **NPR**

★ “A nuanced and empathetic fantasy.” – **BookPage, starred review**
